

Grading System

Explanation of grading system

The University of Ioannina, as in all Universities of the Hellenic Republic, our grading scale is out of 10, and not out of 4 or 100.

Students who successfully complete first cycle studies at Universities in Greece are awarded the corresponding Degree, having accumulated 240 ECTS (four-year studies) for most academic fields, 300 ECTS (five-year studies) for engineering and certain other applied science fields, and 360 ECTS (six-year studies) for medicine.

A scale of 1 to 10 applies to the marks of each subject (taught or research course) in the Hellenic Higher Education System, as follows:

Excellent: 8,5 - 10

Very Good: 6,5 - 8,49

Good: 5,0 - 6,49

Minimum Passing Grade: 5
